

May 2019

Dear Students and Parents/Guardians

IMPORTANT EXAM INFORMATION

A Level Results day is Thursday 15th August. Results will be available for collection from the Upper School Main Hall from 08:00am onwards. If you cannot collect your results in person, you can provide the Exams Office with a stamped addressed envelope and your results will be posted home. If you want someone else to collect your results on your behalf, this must be requested in writing and your request sent to the Exams Office at least one week prior to results day. We are sorry but results cannot be given out over the telephone or via email in any circumstances.

Members of the teaching staff will be in school on Thursday 15th August to assist students who need guidance and advice about contacting universities and colleges, clearing etc. Please remember to consider the following:

- Do not assume you have lost your place if your grades are below the conditional offer. You will need to check with your chosen institution as soon as possible – the quicker you know, the sooner you can begin, if necessary, to make alternative arrangements
- Be proactive – it is your future, your education; you need to get on the telephone, internet, etc. to keep yourself informed with where your application is up to. For urgent cases, internet facilities will be made available within school

In a change to previous years, awarding bodies have extended the 2019 exam timetable by an extra day, as contingency in the event of national or local disruption to examinations. I am therefore required to advise that in the unlikely event of an awarding body invoking this contingency day, students should remain available until Wednesday 26th June 2019. Further information about this can be found on the school's website under 'Exam Information'.

I would like to take this opportunity to wish you all every success in these examinations and beyond.

Yours sincerely

Mr Peter Smirk
Examinations Officer
